

RAHUL HULLI

Mobile : 9130195886

Email : rahul.hulli.269@gmail.com

Career Objectives :

Aspiring Cyber Security Professional, Looking for Cyber Security Analyst job/internship at your company.

Education :

Degree/Course	Institute/College	University/Board	Percentage	Year Of Pursuing
10th	Mahila & Nutan English High School	Goa Board	84.16%	2013
12th	Rosary Higher Secondary School	Goa Board	74.16%	2015
BE, Computer	Goa College Of Engineering	Goa University	64.10%	Pursuing, Semester 8

Technical Skills :

- End-Point Security
- Cyber Forensics
- Full Stack Web Developer
- Operating System Development
- Computer Animation, Photoshop using GIMP, Digital Music using FL Studio
- Python Programming
- Java Programming

Delivered a successful workshop under the same topic
Delivered a successful workshop under the same topic
Successfully assisted in the development of two websites from scratch, front-end and back-end
Spent 6 months understanding and developing a single-threaded Operating System from Scratch
Delivered a successful workshop under these topics

Assisted in a mini project, which used the stated programming language
Used the stated programming language in my final year project

Personal Skills :

- Speaking Skills
- Leadership Skills

Been a resource person for three workshops (As stated above), Delivered a talk on Cyber Stalking at a College Technical Event, Tutored Std 12th students for one year at Divine Tutorials, Raia.
Successfully led 3 college-level projects, delivered satisfactory work as a team

Projects :

1. Attack and Defense Strategy To Implement End-Point Protection On A Client System

- **Project Details** : Using the Attack And Defense Strategy, understanding the anatomy of all performed attacks on a client system, testing different defensive strategies and shortlisting a set of defensive measures to immunize the system and implementing a more lighter version of the same strategies.
- **Concepts Involved** : End-Point Security, Ethical Hacking (Social Engineering attacks), Cyber Forensics, Java Programming, Javax and Scenebuilder.
- **Team Size** : 4
- **Role** : Leader, Attacker, Computer Forensic Analyst.
- **Project Duration** : 1 Year

2. Mark It Right

- **Project Details** : Automatic Question Paper Generating Application for tuition classes
- **Concepts Involved** : Php, MySQL, HTML5, CSS3, JS
- **Team Size** : 4
- **Role** : Project Leader, Back-End Developer
- **Project Duration** : 3 Months

3. Result Analysis System

- **Project Details** : Analysis and Graphical plot outputs of a set of school results data
- **Concepts Involved** : Php, MySQL, HTML5, CSS3, JS
- **Team Size** : 4
- **Role** : Project Leader, Front-End Developer
- **Project Duration** : 3 Months

4. Animation Project – Cricket Match (Super-Over)

- **Project Details** : Using Blender to model and animate a cricket match instance
- **Concepts Involved** : Computer Animation (Blender)
- **Team Size** : 1
- **Role** : Developer (Story Line, Plot Modeling, Animation, Final Edit)
- **Project Duration** : 4 Months

Certificates :

- | | |
|---|--|
| 1. Emerging Trends In Information Technology | 8 th March 2017, Speaker (Docker) |
| 2. Developing Android/iOS Apps using Web Technologies | 8 th , 9 th September 2017 |
| 3. Mobile Application Development & UI Development | 12 th & 19 th March 2016 |
| 4. Python Development | 26 th to 28 th January 2017 |
| 5. Python-Django Framework | 10 th & 11 th March 2017 |
| 6. Ethical Hacking & Cyber Forensics Workshop | 5 th & 6 th February 2016 |
| 7. Python for Data Science Workshop | 26 th and 27 th January 2018 |
| 8. Arduino Workshop | 15 th & 16 th September 2017 |

Achievements :

- | | |
|---|--------------------------|
| • End-Point Protection Workshop | Resource Person |
| • Cyber Forensics Workshop | Resource Person |
| • Computer Animation, Photoshop using GIMP, Digital Music using FL Studio | Resource Person |
| • The Startup League (Goa Chapter) | Idea Shortlisted (Top 6) |
| • Z-Talks | Speaker (Cyber Stalking) |
| • Computer Awareness Camp | Volunteer |
| • Emerging Trends In InfoTech | Speaker (Docker) |
| • DEMPO BIZ QUEST – Business Quiz | |

Softwares and Frameworks Used :

- | | | |
|----------------------------|---|---------------------------------|
| - Visual Studio for C, C++ | - Xampp, Wamp | - Cordova |
| - Netbeans for Java | - Python Framework, Anaconda | - Arduino (Hardware & Software) |
| - Octave, MATLAB | - Blender, GIMP, FL Studio, OpenShot Video Editor | - Scenebuilder |

About Me :

This is Rahul Hulli, student of Goa College Of Engineering, Farmagudi-Ponda Goa. I am a Cyber Security Enthusiast, and I am willing to pursue a career under this field.

I believe I can be a fine fit at your company. I have given 2 workshops on cyber security related topics (End-Point Protection, Cyber Forensics) and also delivered a talk on cyber stalking. I have also very recently opened up a small computer security related help platform on social media, and I intend to start a blog very soon. I have also started working on ML and have been working on different data sets as a fun time for about 6 months. I have also led a team working on a cyber security extensive topic. I have worked on Kali Linux system and initiated a few social engineering attacks onto another computer system I owed. I have also worked on Wireshark to monitor network traffic and used the information to design an Intrusion Detection System as a part of my final year Project.

I am pretty confident that I can grow well in your company. I have observed your company website carefully and its fascinating to study the blend of Computer Security and ML, two concepts that can really blend and work wonders. Its something I would really want to work on.

To cover up for my speaking skills, I have been a tuition teacher for standard 12th for one batch. I have also delivered 2 more talks on namely Career Guidance and Exoplanetary Science.

I would be really contended if you consider my application at the earliest,.

Thanking you in advance!

Personal Details :

- Address : Hno 324/2, 'SAHAJ', Curra-Camorlim, Raia, Salcette, Goa
- DOB : 02/03/1997
- Gender : Male
- Nationality : Indian
- Languages Known : Hindi, English, Marathi, Konkani

Hobbies :

- Travelling
- Singing
- Reading
